

### **Tip Sheet: Apps to Help you Plan and Give Back this Holiday**

It's the most wonderful (and hectic) time of the year. In order to keep our spirits bright amidst the party planning, cooking, shopping, and decorating Aio Wireless has compiled a list of apps that can be your little helpers! So, enjoy the lights (and apps) and be merry as you celebrate your holiday season.

#### ***Holiday Planning Made Easy with Mobile Apps-***

##### **Holiday Party Hosting**

[Spotify](#) (iOS, Android & Windows) – Spotify is a FREE app that allows you to create your own playlists and listen to the radio. You can save songs you like with just a tap, stream online, listen to your music offline, and share your music with friends. *Así que... ¡a gozar y bailar con Gloria Estefan, Prince Royce y José Feliciano!*

[Party Planner](#) (Android – \$0.99) and [Simple Soiree](#) (iOS - \$1.99) – Party Planner and Simple Soiree are intuitive party-planning apps for the larger get-togethers. They are everything you need to be the perfect *anfitrión!*

[Recetas de Navidad](#) (iOS and Android - FREE) – Recetas de Navidad is a free app *en español* that will definitely add that spicy Latin flavor to your holidays! It holds over 2,000 Christmas recipes that will surely keep *la familia* coming back for more.

##### **Shop Savvy this Holiday**

[RedLaser](#): (iOS, Android & Windows – FREE) Just scan or manually enter a product's bar code, and the app spits out the best prices available both online and in retail stores nearby. Click BUY NOW to go directly to the website with the bargain price, or get directions to the local store with the deal.

[Shopular](#): (iOS & Android - FREE). Check this app when you enter the mall. Shopular can use your location to send you coupons for popular stores that happen to be nearby. The coupons are updated daily, so you'll always have the best deals on your holiday shopping.

[Wanelo](#): (iOS & Android - FREE). If you have no idea what to buy for the people on your list and need some ideas, Wanelo (Want, Need, Love) gives you a constant stream of products for sale online. You can order the items as you see them, or you can save products to your profile to buy later.

##### **Giving Back to Charity**

[Charity Miles](#) (iOS & Android – FREE) This app allows you to track your walk, run, or bike and earns money for your favorite charity. You can turn your average lap around the neighborhood into a walk-a-thon. It could not be simpler, just choose a charity and get moving.

[Check – in for Good](#) (iOS – FREE) – This is the perfect donations app for the holidays! During this busy season you will undoubtedly be out and about. Shopping, parties, decorating, cooking;*en fin*, it will be a very eventful month! With Check-in for Good, you can

turn all your outings into positive contributions. This app lets you know what businesses near you will donate to a charity when you visit them and “check-in” to their location. If that’s not enough, *también puedes empezar tu propia campaña!*

[VolunteerMatch](#) (iOS – FREE) VolunteerMatch lets you find volunteer opportunities near you. There isn’t a better time to give back to our communities than Christmas; giving to those in need is the true spirit of Christmas, after all. So, enjoy your friends, family, and festivities, y *ayuda a tu comunidad para que todos tengamos una Feliz Navidad.*
